Perinatal Addictions Prevention Project

Perinatal Addiction Project's Mission Statement

To improve the wellbeing of pregnant women and women of childbearing age affected by the challenges of substance use.

Our goal is to ensure the health and wellbeing of every mother and child. The Perinatal Addiction Prevention Project:

- Provide prevention education to professionals & consumers on the impact of alcohol, tobacco and other drugs on pregnant women and their children
- Promote the use of the Perinatal Risk Assessment to Prenatal Care Providers
- Provide resources and referrals for women of childbearing age affected by substance use
- Collaborate with municipal, county and state alliances, task forces coalitions and councils to reduce and prevent substance use

FAMILY CONNECTIONS CENTRAL INTAKE

What is Central Intake?

Central Intake connects women, children and families to community resources and services that address their needs.

What type of information can Central Intake provide you with?

Central Intake can help you find resources for various needs such as housing, health, insurance, child care and transportation. We can also connect you with free home visiting programs, case management, WIC and other programs in your area.

For more information contact Family Connections Central Intake
